

## Rozga Family Old South Side Settlement Museum

The Old South Side Settlement Museum celebrates the neighborhoods of Lincoln Village, Baran Park, Historic Mitchell Street, and Forest Home Hills. The museum, located at 707 W. Lincoln Avenue, has exhibits on the people of the area, celebrities that once lived in these neighborhoods, and historical events. A miniature model of a Polish flat entertains children and adults alike (see photos).

The museum is sponsored by the Rozga family that owns the Rozga Funeral Home next door, and is operated by Urban Anthropology, Inc. To reserve a free group tour on Sunday, Monday, Tuesday, or Wednesday afternoons, email Dr. Jill at [JFLanthropologist@currently.com](mailto:JFLanthropologist@currently.com)
